

## **Task 5. Project work 2**

You are a group of students who enrolled in a competition organized by a big travel agency. The task is to do some internet research and collect information on some tourist attractions.

According to the requirements of the competition you have to:

- Find out more about tourist attractions in Romania.
- The tourist attractions are to be advertised for the summer period (June-August).
- The target audience are young people aged 18-25.

Make a presentation about one of the tourist attractions with the greatest potential of attracting tourists of this age group (think of active holidays, which involve extreme sports, hiking, music festivals, art camps etc.).

The best presentation will be included on the list with the offer of the travel agency and the winners are given a free package holiday in Europe at their choice.
